Date: Thursday 5th December 2024

Time: 3:45pm – 6:45pm

Facilitator: Mr Hunt

Dear Year 11 Students, Parents and Carers

I would like to firstly introduce myself once again. My name is Mr Hunt, the Careers & Employability Advisor for BBA.

I am delighted to share with you that we are running a Year 11 Careers Fair on Thursday 5th December, alongside Year 11 Parents' Evening which takes place the same evening.

We have a wide range of exhibitors coming into BBA to share their next step opportunities. The Careers Fair is a drop in event and will be running from 3.45pm – 6.45pm.

The Careers Fair is an opportunity to:

- Speak with organisations such as colleges, employers and apprenticeship providers
- Develop your understanding of job roles
- Learn more about opportunities available after leaving Year 11
- Explore qualification options eg A-Levels, Apprenticeships or T-Levels
- Get careers advice and ask questions
- Gain an understanding of which skills are needed to be successful

It is important to understand all the possible options after leaving secondary school. Please do visit the stands to get information and ask questions – the exhibitors are all here to help and this is an excellent opportunity to find out more about life after BBA!

I will be available throughout the evening so if you have any questions, please feel free to speak with me.

Below is a list of all the organisations that will be attending, along with a link to their website.

Please note, this is an event for Year 11 students and parents/carers only.

I hope you have a great evening and find the Careers Fair a useful event.

Kind regards,

Mr Hunt
