## Floods in Pakistan

These Year 8 students raised £200 for the flood victims in Pakistan. All students received their Community badge linked to the Brunel Way. Well done to Muskaan, Mahnoor, Ayesha, Khadeeja and Hannah (not available for photo).

## Year 8 Cyber

Year 8 students receiving an award this term from Charlotte Smith from Cynam (Cyber Cheltenham). The girls took part in an afternoon of cyber activities at Gloucestershire university run by companies in the cyber sector to encourage more girls into the industry.

## Bristol Brunel Academy - Site Speed Limit (5mph)

Please note the Speed Limit on the Bristol Brunel Academy Site is **5MPH** - additional road markings have been recently painted on the car park grounds as a reminder.

This is a polite reminder to all visitors to BBA to observe this speed limit.

Thank you for your ongoing support.

## Assemblies

Our British Value this term has been **Individual Liberty**. This was delivered in assemblies through discussing the World Cup and Human Rights as well as through a guest assembly about the History of St Paul's Carnival

Anti Bullying - During Anti Bullying week, students across KS3 had an assembly on reaching out. This was devised by the Anti-Bullying Alliance and we spoke to students about the importance of reaching out if they are the victim of bullying or have observed it. Since this we have had some students that have come forward to Year Teams to share information, defending victims of bullying.

Qatar World Cup - This term's House Assembly focussed on some of the Human rights issues that people in Qatar are facing. We looked at issues for the LGBTQ+ community, migrant workers and women, encouraging students to think about what may be happening behind the cameras of the watching World.

## Tutor Leaders

## Pop-up lessons

Eco-summit day - All students received a pop-up lesson on 'Greener jobs', looking at careers for the future. Students in Year 8 also received a further three lessons, delving deeper into future options for their generation and what job's may be available to them when they leave school.

## Misogyny lesson in PSHE

Following an increase in reports of misogynistic comments being used across the Academy, the PSHE team created and delivered a lesson to students across Years 8-11 on misogyny, the use of this language and the impact that it can have on lives.

## BBA on Social Media

We are excited to announce that the official Bristol Brunel Academy Facebook and Instagram pages are now live.

To be kept up to date with events, celebrations and communications from the Academy please like and follow our pages.

Snow:  
years of anger following  
hours that float idly down -  
the blizzard  
drifts its weight  
deeper and deeper for three days  
or sixty years, eh? Then  
the sun! a clutter of  
yellow and blue flakes -  
Hairy looking trees stand out  
in long alleys  
over a wild solitude.  
The man turns and there -  
his solitary track stretched out  
upon the world.

When I was at school my favourite book was...

## Miss Passaway

My favourite book when I was in infant school was 'George Speaks' by Dick King-Smith. I remember taking it out of the school library when I was young and reading it again and again. I found it fascinating that a baby may be able to speak to his sister about things before the adults even knew it. I still think about it and imagine what conversations must be going on between babies all the time!

A Book Review by (first name) Bruce Tutor DA9  
Your star rating for the book: ☆☆☆☆☆  
Title: Hobbit Author: \_\_\_\_\_

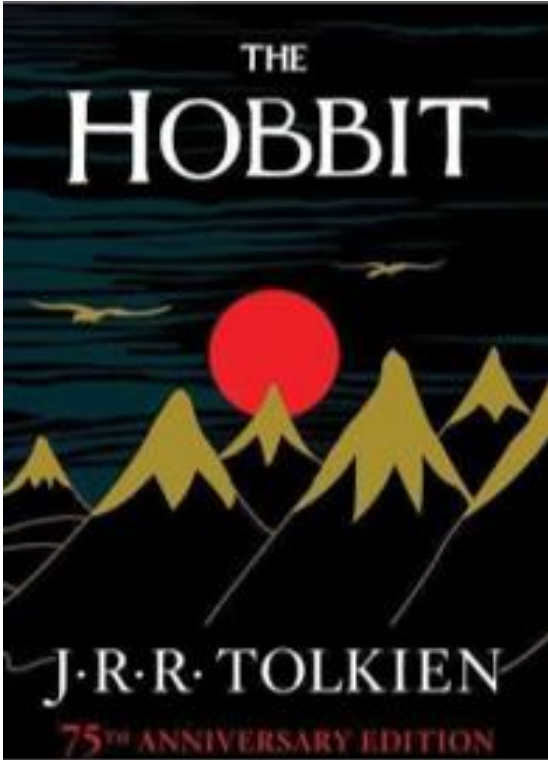

Characters: Who were the main characters? Did you like them? Why? Why not?  
I liked Bilbo baggins because he rose from being naive and not knowing what to do in wars kill dragons and stuff

Plot: What happens? Can you give a basic outline? What is the main difficulty / challenge the characters had to overcome?  
The main challenge is overcoming the dragon after they escape when looking for the star

Your Opinion: What did you like about the book? What was the best bit? Was it scary? Funny? Sad? What did the book make you think about?  
I liked how it kept me in by shadowing what will happen and the smother being surprising

Recommend... Who might like to read this book?  
people that like fantasy novels

## **Year 11 mock interviews**

On the 24th of November, all year 11 students were given the opportunity to have a mock interview with an external contact through business. The day went well with students feeling positive about the experience and realised that they have nothing to worry about with any upcoming post 16 interviews.

I would like to thank all our volunteers for offering their time & expertise to make the day a success; WSP, Rotary club from Kingswood, Keynsham, Fishponds and Downend, Department for working tax and pensions, Cabot Learning Federation professional services and Bobbi from Ready to blog.

## **Green futures Eco summit**

Bristol Brunel Academy is working on a project to empower our students to think about green jobs, the skills required for these jobs and ways that we can make a change in line with the net zero pledge.

We are working with Hans Price Academy, Digitech Studio School and UWE over the academic year, to raise awareness of the issues raised in the employment markets, press and through the COP summits. The project will also offer CPD opportunities for staff within the trust for both staff and student leaders.

The day at Bristol Brunel Academy consisted of a whole school pop-up to offer an overview of the situation and the future green jobs that our students will be seeing in their lifetime. The students all had the opportunity to visit some of the stands set up during social time to find out more.

We then went into greater detail for our year 8 students who attended lessons and talks focusing on 3 areas. The students were asked about ideas that they had to reduce energy emissions in transport, waste and energy.

The day was wrapped up with a meeting with our STEAM and ECO clubs who offered their opinions and feedback on what we can do to prepare our students best for them to reach their future aspirations.

We would like to thank academics and research staff from UWE, DETI Inspire, Chris from Thrive renewables and Christian from Thales group.

## **Year 11 Parents Evening**

Thank you to our year 11 families who were able to make the parents/carers evening on Thursday 8th December. If any parents/carers wish to ask any careers related questions, please feel free to email Mr Jordan our careers lead.

We were also able to call on the support of some of our local Post 16 providers that attended the evening and took questions from our families. At Bristol Brunel, we offer a comprehensive and impartial careers programme to ensure that our students and their families have all the information to make those important post 16 decisions.

A huge thank you to CLF post 16, St Brendan's Sixth Form College, SGS College, City of Bristol College, Access Creative College, Boomsatsuma, Greenlight Training, Onsite Training, Bristol Rovers Community Trust and Bristol City Community Trusts.

## **Post 16 Planning**

Now that the Year 11's have received their latest predictions, it is crucial that they start applying for, and securing, their post 16 destinations.

Some providers have stopped accepting applications, but the students still have so many opportunities to choose from. My advice is to ensure that they have visited the providers and have a firm plan A, B and even C.

Mr Jordan will send a series of forms to check in on progress but if you have any concerns please contact the year team or Mr Jordan for additional support.

## **Year 10 Work Experience**

You would have all heard that our year 10 work experience week is from Monday 12th - Friday 16th June 2023. Please support your child to secure a placement and have the opportunity to get a taste of life away from structured education.

We will consider all placements but need to complete a process of checks to ensure relevant risk assessments and insurance is in place amongst other things.

Once a placement has been secured, the student needs to complete the online Microsoft forms link shared on show my homework. This will start the process of signing off placements.

Wow! We now have 15 **Word Millionaires!**

### Book Amnesty Competition

In terms 1 and 2, in collaboration with the English department, our book amnesty competition aimed at getting all overdue books back into the school library. Stephenson House returned the most books and so they won all the 200 house points up for grabs – well done Stephenson!

### Skipping Competition

Our house social time competition this term was skipping! Students were challenged to do as many rotations as they could in 30 seconds. Participation was great and students looked forward to it every social time – Miss Cusack did particularly well scoring well over 20 rotations AND in heels! This is definitely a social time comp we will be revisiting!

## Well done to Malala House

### CLF's Got Talent Finalists

Our wonderful BBA's Got Talent finalists went through to the Big CLF Talent show on Friday 9th December. Niko (Y8) Kennedy (Y8) Tianna (Y10) Sophie (Y11) and Kobe (Y11) performed SO well in front of a big audience at City Academy, doing BBA proud. It was amazing to see such an array of talent across not only BBA, but the entire CLF. We can't wait for the next one!

### House Bauble Competition

We asked our houses to design a festive Bauble to go on our BBA Christmas tree. The house that submitted the most entries would win! Although Amika took the overall win (again!) heads of houses were able to choose a selection of their favourite designs to go on the tree.

Thank you to everyone for your lovely bauble designs, they look wonderful on our tree!

# Attendance the Brunel Way

At BBA we want our students to achieve at least 96% attendance

**More time in school = More time learning!**

Good school attendance is **ESSENTIAL**

It means better **grades, stronger friendships and improved social and communications skills**. It can also mean better job prospects and opportunities in the future

**Be on time**

**Be Ready to Learn**

**Plan Ahead**

Students should arrive at 8:20 to be ready for morning registration

Students are expected to have the correct uniform and equipment

Students should book any appointments outside of school hours

## FREE NSPCC Online Safety Workshops for Parents & Carers

# NSPCC

The NSPCC is running a series of free **Online Safety Workshops for Parents & Carers** until February 2023 on Zoom.

The workshops are 1 hour and will help parents and carers to find out about:

- What children and young people are doing online
- Parental concerns
- What the risks are for young people in terms of what they see, do, and who they meet online
- How to manage these risks as a parent/carer
- Sources of help and support

Each workshop will also focus on a combination of the following topics:

- Gaming
- Social Media
- Online Bullying
- Parental controls
- Mental health and well being
- Modelling good behaviour
- Online challenges, hoaxes and scams
- Persuasive design and screen time vs screen use

World Kindness Day

## World Kindness Day

BBA celebrated World Kindness Day this term with staff nominating and highlighting kind actions seen by staff and students. There was then a raffle for these people to get the chance to win a prize. Well done to those who continue to uphold our BBA value of *Kindness*. You are stars!

As parents and carers, we all want our children to be happy and safe, and it is natural to worry about bullying - particularly if we have experienced bullying ourselves or think our child may be more vulnerable to bullying. The good news is you are not alone! The Anti-Bullying Alliance and its members are here to work with children, families, and schools to help keep children safe.

Every November, schools take part in Anti-Bullying Week. This is an opportunity to spotlight bullying and consider the steps we can take together to stop it. Anti-Bullying Week 2022 took place from Monday 14th to Friday 18th November, with the theme 'Reach Out'. As a parent or carer, you are a vital piece of the puzzle in tackling bullying. One of the steps is knowing when to ask for support – [CLICK HERE for more information.](#)

## Key Contacts for students with SEND

- If you are concerned about your child's learning and progress in their education setting, talk to your child's teacher or the school's SENDCO. The [Ordinarily Available Provision](#) has more information about support schools should be able to offer.
- If you need information or advice about early support for your child's additional needs, phone FLORA on 0117 352 6020, or email [flora@bristol.gov.uk](mailto:flora@bristol.gov.uk).
- If you have a question about how to ask for an EHC plan, phone us on 0117 922 3700.
- If you need independent information and advice, phone [SEND And You \(SAY\)](#) on 0117 989 7725.

We have been asked by UHBW to share their vaccine trial information with you.

## **New vaccine study looking for participants: SUPER study - STANDING UP TO PERTUSSIS**

## Moulded stud football boots exchange scheme

Hello BBA community, we are currently running a boot exchange scheme within the PE department, where when a student needs the next size up, they can come and exchange their old size for a larger one. We are running a bit low on the larger sizes, especially sizes 6 and upwards. We would welcome any size in boots if anyone has any they no longer need to donate to the boot scheme.

## Engineering Project

Over the last two weeks, we have welcomed 10 Bristol University Students affiliated with 'Engineers Without Borders' (EWB) and 2 Engineers from WSP into the school to run Engineering / Design / Sustainability workshops for our KS4 Engineering and PD students along with a class of year 9 students.

The EWB volunteers ran a workshop where students learnt about renewable energy and then students made a wind turbine, which was tested using a hairdryer.

The WSP Engineers ran a workshop on motorway traffic management where students had a budget of £8K and had to set up signage and cameras along a stretch of motorway.

Students thoroughly enjoyed the experiences and were able to ask the students about University and Engineering / Design. Photos of the workshops are shown below:

## Year 8 Girls Netball

The Year 8 netball team went to City Academy to play against central Bristol schools. BBA came fourth overall. Two other schools dropped out. Firstly, we played against City Academy. Then, we played St Mary Redcliffe. Thirdly we played against Trinity. Fourth we played against MET. We had Neve and Dani each as player of the match. It was a really good evening to play against lots of schools. Great team effort.

**Danaya G (Year 8)**

## U14 Girls Basketball

A fantastic job tonight by our U14 girls Basketball team. We kicked off the season with a match against MET. We lost, by a lot! Despite the score, all girls played better and better as the game went on demonstrating lots of resilience and amazing effort. Lily was player of the match. I also want to mention my helpers Ruby, Khadijah, Maryam and Raquel who helped keep score and do the timekeeping.

**Miss Payton**

## Cross Country

Smashing result for BBA at the Bristol Schools CX. We took a team of 14 pupils from a range of year groups and had 3 qualify for the County team. These pupils were Pavlos coming third in Inter boys, Erin coming second in Junior girls and Sean coming ninth in Junior boys. So proud of all our pupils, it took a lot of courage for the year 7's to put themselves forward for this without really knowing what they had to do. We can't wait to see how our qualifying pupils do.

**Miss Jackson**

## Year 10 Central Netball Festival

BBA arrived with high hopes sadly the first game they lost 4-5, to Bristol Cathedral Choir School, due to misunderstanding the last penalty. After that, they played Montpelier High School 1s winning 9-3, great play throughout the whole court leading us to celebrate our first win. Next game another win for the team, with great defence only conceding one goal beating Bristol Met Academy 9-1. Second to last game, there were many changes, and everyone did a great job of stepping up into different positions winning the game 8-0 against Montpelier High School 2s. The final game, there was a great defensive line up not conceding any goals and the shooters got 16 goals within just 10 minutes against St Mary Redcliffe. Other than the unlucky start BBA won every game, everyone played fantastically, especially with all the position changes and was a lot of fun. Huge congratulations to the players of each match in order, Mari-Rose S, Hollie S x3 and Skye.

## Athletic Tournament

Sports Hall Athletic tournament for South Bristol schools was held at City Academy in term 2. We took a team of 8 girls and 6 boys from year 8. The event was very successful for BBA winning a few individual events like vertical jump, 2-lap race and 3-lap race. Then coming second and third in all other events. BBA were complimented on their physical abilities but also how friendly they were with other schools and praising them if they did well in the event.

The overall team score was amazing for Year 8 boys to come second out of 4 schools. Then year 8 girls came third out of 6 schools. Well done to all that took part!

*"It's nice to be creative and we can create whatever we desire. It is much freer than art classes. It takes the stress away after a long Wednesday because I have something to focus on. It's something to look forward to on Wednesday. There are lots of like-minded people at the club so it's really easy to make new friends. ## Year 7 SELF PORTRAITS inspired by the artist Julian Opie

Year 7 have been exploring the work of Julian Opie. They have learnt that the characteristics of his style are clean lines, simplified forms and areas of flat colour. Using these characteristics and their knowledge of colour mixing from Term 1, they have created these wonderful self-portraits. Congratulations Year 7!

## Year 9 PAST PRESENT FUTURE ART PROJECT

Year 9 have been investigating the work of Lubaina Himid who explores themes of Cultural Identity through her work. Students created a personal response which would fit into one of Himid's figure templates, inspired by a person of their own choice. Students chose a variety of writers, sportspeople, artists and performers who they find relevant. Y9 used multi-media to create these fantastic responses. Well done Y9!

Marcus Rashford by Oliver

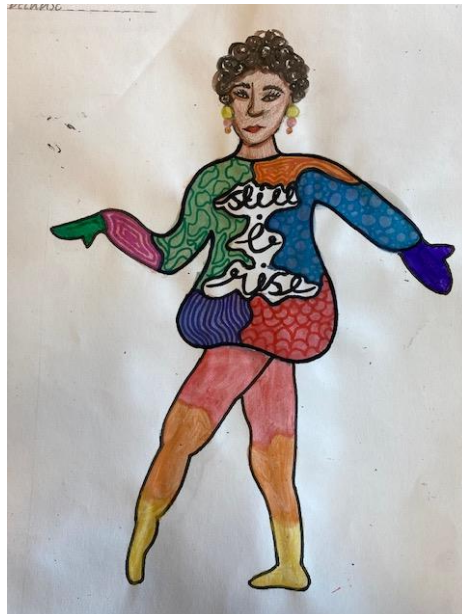

Toni Stone by Zoe

Whitney Houston by Rosie

Chris Gayle by Arham

Maya Angelo by Nira

Serena Williams by Ivy

Lubaina Himid says her artwork "highlights issues of race and gender and the politics of representation" Year 9 have aimed to echo this in their personal responses.

**Year 10 continue to progress with their coursework exploring the 'Elements of Art'.**

**I am really proud of their recent artwork where every student had the same starting point and then they developed the image in individual directions, demonstrating their knowledge of line, tone, texture, hot colours, cold colours, mark making etc. Year 10 are a pleasure to teach: Well done!**
