

WEAR RED DAY

Mr Sterling, Mr Fan, Miss Hodgson-Smith
Esther, Theo, Izzy and Leia (Y7)

Staff and students at Bristol Brunel Academy Showed Racism the Red Card. Staff and students wore something red in support of this initiative. All money raised will be going to the [Show Racism the Red Card](#) charity which was founded in January 1996.

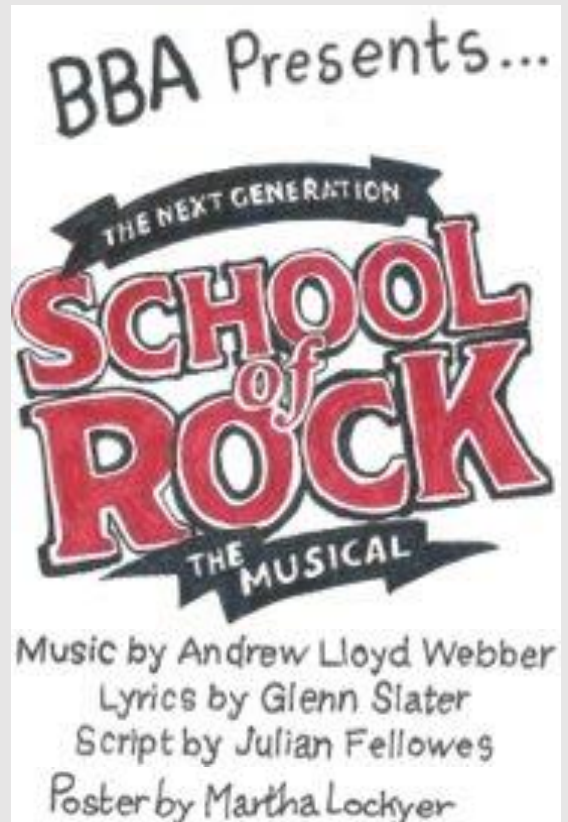

Throughout the day there were pop-up sessions at the start of each lesson, where students could discuss the issues around racism.

At breaktime and lunchtimes, students had the chance to visit stalls where they could talk freely to groups about racism. There was also a chance to buy cakes and sweets to raise money for the cause. Students could also take part in a raffle to win JD vouchers, with again all proceeds going to the charity.

Mr Sterling said: "At Bristol Brunel we stand together. We pride ourselves on the ongoing work we do with the Halo Code, which protects and allows all students and staff with Afro-textured hair to wear it naturally, as well as working towards our Anti-Racist School Award to improve race equality in schools. The day allowed our students to show racism the red card, moving us one step closer to a world free from discrimination."

This Term

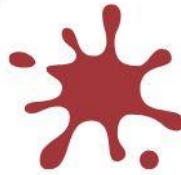

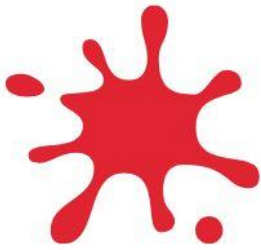

School of Rock School Play

After six months of hard work, the cast, band and backstage crew performed over 3 nights to a rapturous reception. Hailed as BBA's 'best ever production', we are incredibly proud of all students who took part. It was truly wonderful to see the Arts back at the forefront of the work we do in school again. Here's to next year!

RED
NOISE
DAY

WE RAISED

£325.84

*thank
you!*

We even made it onto local media!

On Friday 17th March, our BBA community came together to raise money for Comic Relief! Throughout the day our Heads of House were selling raffle tickets for Splat The Teacher and putting our creative skills to the test with glitter and face paint stalls.

All students and staff were able to wear a crazy wig, hairstyle or shoes for a £1 donation and we were so pleased to see everyone get involved.

[CLICK HERE](#) for the BBC Radio Bristol Interview and BBC Points West (TV) recording of the splatting!!

Staff have just dried off!! Thanks for all your support.

This Term

Please join me in congratulating the following winners of the Articles of Faith Art competition:

2nd prize: Lia (Year 8)

3rd Prize: Kye (Year 8)

Highly commended: Sophie (Year 8)

Highly commended: Josie (Year 8)

Highly commended: Millie (Year 8)

Highly commended: Jemma (Year 9)

Highly commended: Chantay (Year 10)

All the prizewinners will receive
CASS Art vouchers

First prize is £50

Second prize is £40

Third prize is £30

Highly Commended £15

The students who have won prizes had them presented at the launch event for the main exhibition by the Lord Mayor.

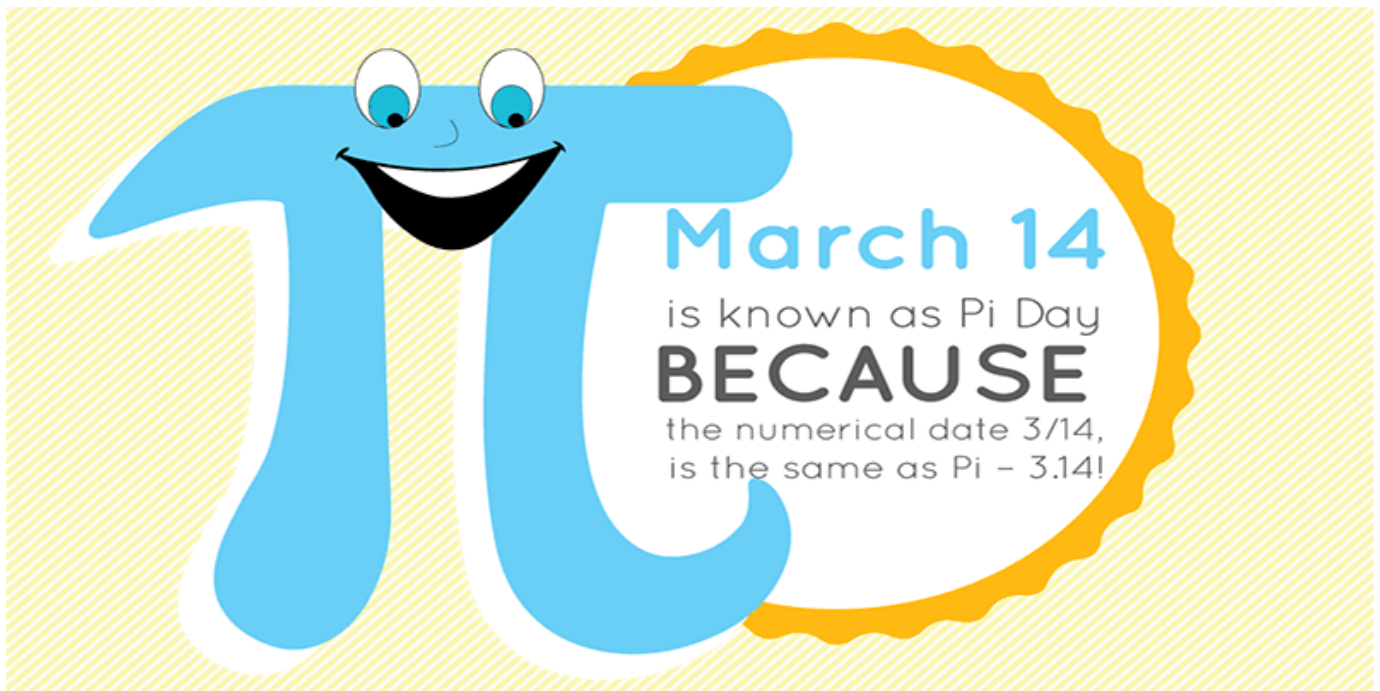

We welcomed seven members of the **British Army** into school to work with our Year 10 Engineering classes. They first gave a careers talk about different careers in the army and then led different activities, including code breaker tasks, solving logical puzzles and building compressed air powered cars. Students thoroughly enjoyed the sessions.

This Term

On the 14th March (or as most people know it - Pi day), a select group of Y5 and Y6 students from Summerhill and Minerva came to visit BBA and to work on some Maths as part of the CLF's Big Day of Maths. Together with some Y7 students they worked on continuing a variety of patterns and sequences, testing out theories, working together and conjecturing in a buzzing yet purposeful environment. Every student present was a credit to themselves and their schools, with the primary school students showing great maturity, while giving them a taste of what it is like doing Maths at BBA.

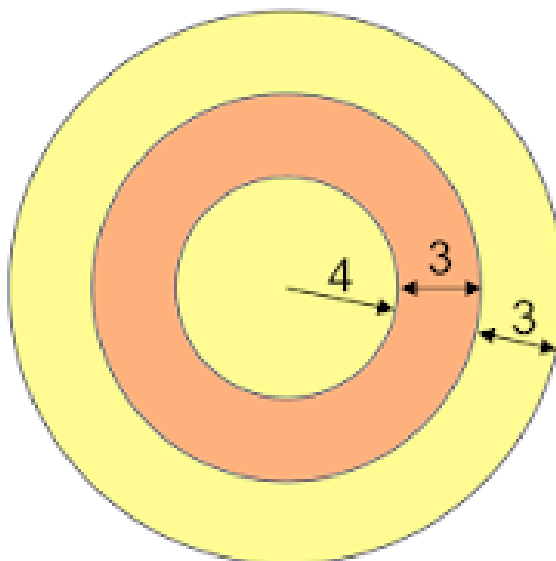

concentric circles

Daisy thinks the orange ring is exactly a third of the area of the whole (big) circle

is she correct?

A problem involving Pi.

Anti-Bullying Ambassadors

At the start of the term, Mr Saunders and 8 students from Years 7-10 completed the Diana Award, an anti-bullying ambassador training programme. Our students were fantastic representatives of BBA, receiving plaudits from the course leaders. They will now take up a role within the Academy, running a series of initiatives and events that enhance the work already done on anti-bullying, so keep your eyes peeled for what they have planned.

Year 11

Year 11 Prom

Prom tickets are on sale via ParentPay and at reception. All details about the prom have been emailed out to Year 11 Parents/Carers. For more information, please email BBAYear11Team@clf.uk

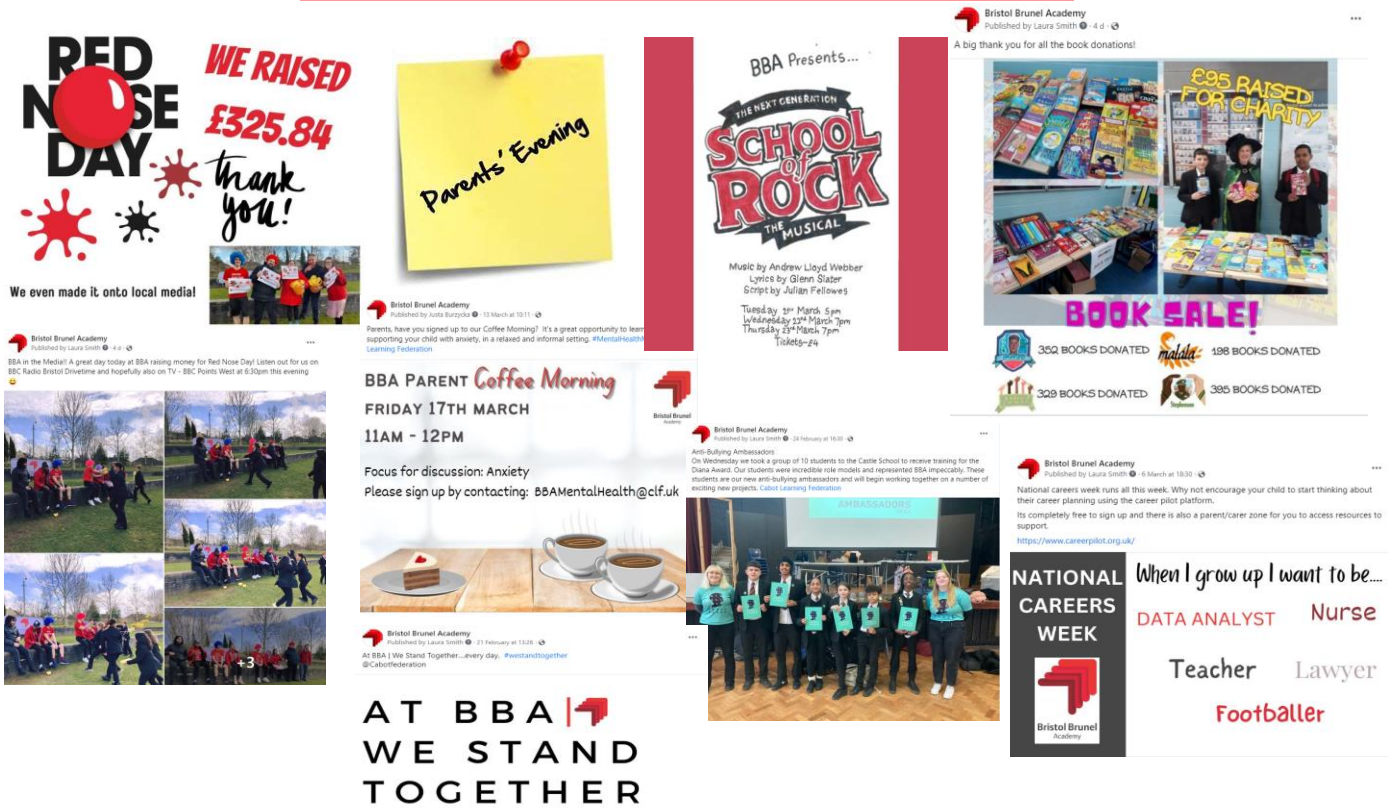

Do you have any old Prom dresses/suits or other attire that you will never wear again?

If so, we are taking donations for this years Prom!

If you are finding it difficult, financially to provide your child with prom attire and would like to see the items we have available to loan, please speak to the Year Team.

BBA Social Media

BBA on Social Media

This Term we have posted lots of useful and fun information on our social media pages.

To be kept up to date with events, celebrations and communications from the Academy please like and follow our pages.

https://www.instagram.com/bristol_brunel_academy/

<https://www.facebook.com/BristolBrunelAcademy/>

[@bristolbrunel](https://twitter.com/bristolbrunel)

We will continue to use phone, text and email as our main means of communication between the Academy and home, please ensure that you keep us up to date with any changes in contact details. Please **do not** Direct Message social media platforms as these will not be monitored. Please continue to use the email and phone numbers for the Academy if you wish to get in touch.

Careers

Raising Aspirations 2023 - Year 9

All Year 9 students across the trust took part in Raising Aspirations 2023 on Wednesday 8th March. The day was hampered slightly by the cancellations of all volunteers due to the snow, but our colleagues at DWP ran a virtual session instead.

We had keynote speakers from Junior Saunders, Rav Bumbra of Cajigo; The students learnt about Labour market information and CV writing and had a session delivered by the Civil servants at DWP.

During the afternoon, students took part in one of three employability sessions delivered by NHS, Waste Source or Clear Channel.

We hope this day helped to get the students thinking about career aspirations as they make their year 9 options choices.

The logo for Cajigo, featuring the word "cajigo" in a white, lowercase, sans-serif font on a pink rectangular background.

Year 10 Work experience (Monday 12th- Friday 16th June 2023)

As we approach the end of Term 4, we meet the deadline set for work experience placements (Friday 31st March 2023).

Please ensure if your child has a placement lined up that they complete the Microsoft teams form ASAP. This form will trigger the vetting process to ensure that the employer has all the relevant insurance, risk assessment and safeguarding measures in place.

For any careers questions please feel free to email Mr Craig Jordan, BBA Careers & Employability Coach, at craig.jordan@clf.uk

Careers

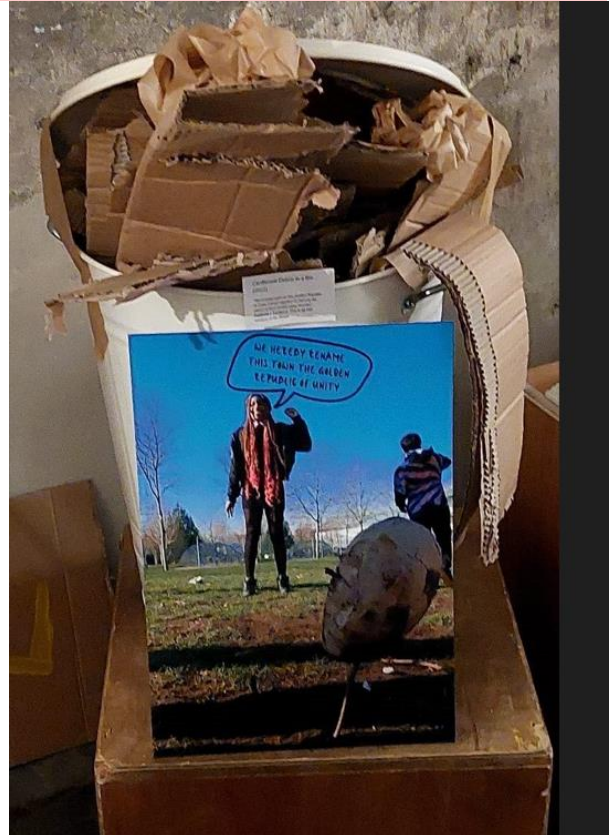

Bristol Old Vic – A Monumental task

A group of BBA students took part in a project ran by the Bristol Old Vic to tackle the subject of colonialism following on from the toppling of the Colston statue 3 years ago. The students took part in workshops delivered by The Bristol Old Vic.

They were also given a statue to do as they wished. BBA (like most schools) did not feel the statue was appropriate and destroyed it in our own way.

This culminated in them spending a day at the Bristol Old Vic to see their work on display, tour the theatre and have the chance to perform in this famous building.

Some of our students made it onto BBC Points West on Monday 28th March.

BBA students decided there was only one place for their statue. The bin!

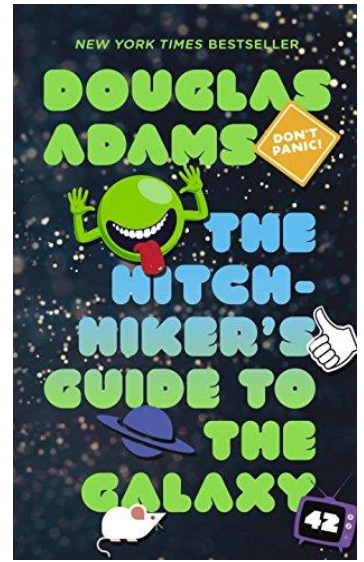

Reading

When I was at school my favourite book was...

Mr Thorne

Hitchhiker's guide to the galaxy by Douglas Adams

My first teenage foray into the comical geeky sci-fi world of Douglas Adams. I thoroughly enjoyed my journey with Arthur Dent and have never forgotten the answer to life the universe and everything ever since... 42. There was a lovely, dramatised BBC radio show based on the book series as well.

A Book Review by (first name) Lola Tutor 957

Your star rating for the book: ☆☆☆☆☆

Title: once upon a dream Author Liz Braswell

Characters: Who were the main characters? Did you like them? Why? Why not?

The main character is Aurora Aurora and is a twisted fairy tale story. I like her because she's very nice to nature

Plot: What happens? Can you give a basic outline? What is the main difficulty / challenge the characters had to overcome?

Aurora's parents sell her to 3 evil fairies for dark powers to ruin other kingdoms and Malificent saves Aurora

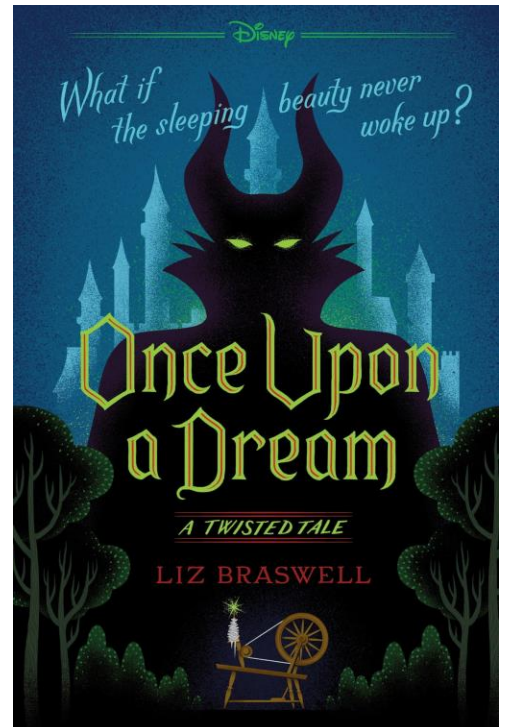

Your Opinion: What did you like about the book? What was the best bit? Was it scary? Funny? Sad? What did the book make you think about?

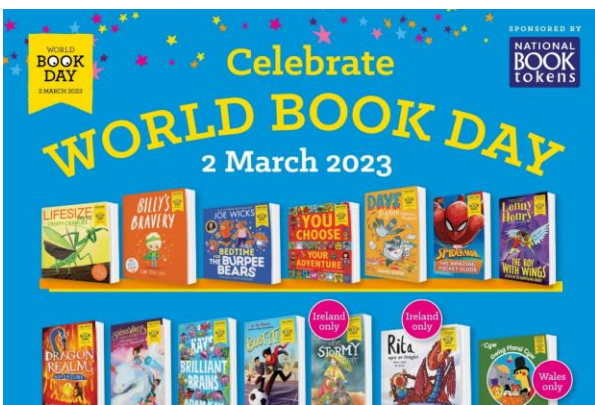

In my opinion it was a good ~~be~~ book and I'm trying to read all the books in the series. The twist is she never wakes up from her sleep.

Recommend...

Who might like to read this book?

Anyone who likes twisted fairy tales

A HUGE thank you to everyone who got involved in World Book Week: Readathon, Book Sale & Staff costumes.

Competition winners will be announced shortly!

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many games which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about

FIFA 23

FIFA 23, like its many predecessors, is a massively popular football simulator featuring lifelike recreations of thousands of real-world players, drawn from teams around the globe. While the gameplay is subtly improved year on year, the publisher EA Sports' tweaks tend to focus on FIFA Ultimate Team mode, which can tempt gamers of all ages to spend real money recruiting better players for their side. With each new release of FIFA comes a host of new players to unlock – meaning that youngsters can feel pressured to keep buying to compete with their friends.

AGE RATING

PEGI
3

WHAT ARE THE RISKS?

RELEASE RAZZAMATAZZ

FIFA 23 will be the last in the blockbuster series, before EA goes solo with its own football title next season. This 'end of an era' vibe – coupled with a huge advertising budget making the new release almost impossible to miss – will elevate FIFA 23 into even more of a 'must have' for football-mad young gamers, no matter how minor the updates are on last year's version.

AGE-INAPPROPRIATE CHAT

Based on a popular sport which appeals to people of all ages, the FIFA franchise draws a huge audience of both children and adults. Communication is a key element, with many players enjoying in-game audio chat via headsets. With the mixed age range of players and a lack of regulation, however, chats can often turn offensive or toxic – especially in the heat of competitive matches.

IN-GAME PROMOTIONS

Unless precautions are taken, dedicated FIFA fans can spend significant sums when attempting to improve their Ultimate Team. Most top-level players can be unlocked by simply participating in matches, but some sought-after stars can be obtained more quickly in limited-time promotions which cost a large amount of FIFA points (the in-game currency, often paid for with real money).

CIRCLING SCAMMERS

The popularity of FIFA Ultimate Team (FUT) mode has led to online scammers convincing many impressionable gamers to pay real money for non-existent FUT coins and player cards, or directing unwary FIFA fans to phishing sites. If your child gives these individuals their login details, the scammers can access not only their carefully built team but potentially your payment information.

ADDICTIVE NATURE

One match on FIFA (usually around 15 minutes, but often lengthened by extra time and penalties) almost invariably leads to another. It can be a powerful temptation for young players, regardless of unfinished homework or an approaching bedtime. If the 'just one more game' mindset starts to impact a child's daily routine, it could be a sign of gaming disorder, a recognised mental health issue.

GAMBLING-ADJACENT BEHAVIOUR

Ultimate Team has become a major feature in FIFA due to the revenues it generates. It can also be addictive, with children striving to earn coins and level up while swapping, selling and buying players. Spending FUT coins to open a player pack (which many experts have likened to gambling) is designed to be an exciting act – with bright lights, fanfare and attention-grabbing prizes.

Advice for Parents & Carers

BE SELECTIVE WITH CHATS

It's enormous fun for FIFA players to chat online with friends, even as their teams do battle in the game. It's probably the safest idea, though, to restrict contact with strangers. By turning off voice chat in FIFA and allowing cross-party chat in their device's settings, your child can speak to people who are already on their friends list but won't be able to talk to (or hear) strangers online.

CONTROL SPENDING

If your child plays Ultimate Team mode on FIFA, ensure their account isn't linked to your payment methods – so they'll need your permission to make in-game purchases. Alternatively, you could use parental controls to limit spending – or set up a pre-paid 'allowance'. When excitedly clicking options on screen, it's easy for a young person to forget the real-world repercussions of online purchases.

STAY ALERT FOR SCAMS

There are some key things to remember about potential FIFA scams. Firstly, EA never contacts users via any method other than emails to the account holder (which may well be you). Neither will they ever ask for a player's username or password outside the game itself. EA's terms and conditions outlaw the buying of FUT coins, so anyone selling them should be treated as suspicious.

AVOID 'EXTRA TIME'

If your child's spending a lot of time on FIFA 23 and seems less enthusiastic about other activities in their life, you could consider restricting how long they can play for each day with the parental controls in their device's settings. Even if they're not playing on their console or computer, there's a FIFA companion app for smartphones – but that can be limited through parental controls, too.

Meet Our Expert

Lloyd Coombes is Games Editor of technology and entertainment website Dexerto and has been working in the gaming media for three years. A long-time fan of the FIFA franchise, he is also a parent and therefore a keen advocate of online safety. Writing mainly about tech and fitness, his articles have also been published on influential sites including IGN and TechRadar, among others.

Moulded stud football boots exchange scheme

Hello BBA community. We are currently running a boot exchange scheme within the PE department, where when a student needs the next size up, they can come and exchange their old size for a larger one. We are running a bit low on the larger sizes, especially sizes 6 and upwards. We would welcome any size in boots if anyone has any they no longer need to donate to the boot scheme.

Food Donations

We continue to support our families in need with food hampers. If you can contribute, please drop off the food at reception. Many thanks.

Uniform Donations

If your child has grown out of their uniform, or no longer needs it, please drop this into reception to allow us to donate and support other students and families.

Murmuration

Murmuration is a community of parents and professionals involved with children with disabilities or neurodivergences. The community gathers to support each other and young people in small supportive nurture groups to share experiences, process complex feelings and develop friendships with other people in similar situations.

Enrichment

The CLF Big Dance

During this term, students from across all year groups having been working towards a performance to take place at 'The CLF Big Dance' which is a celebration of Dance happening in term 6 at City Academy where students will be travelling there from across the CLF to show off their Dance skills. Sixth form students from the CLF have led on this project and we have been luckily enough to welcome them into the Academy to lead on the sessions ready for the performance. Our students will then continue to work independently in term 5 on this routine, and then welcome the Post 16 leaders back in term 6 for a final visit prior to the performance later on in the final term. Watch this space for the final piece of choreography!

Airbus Visit

Students from the Into University group and STEAM club attended a wing bend engineering workshop led by volunteers from Airbus. Students were required to make a wing from K'nex and were given a score based on wing length, mass and cost of parts used. It was great to see the teamwork and problem solving required by the students to produce their box wing designs.

Y7 have been working brilliantly on title pages for the new project.

Here are some of our favourites!

Wall of Wow!

Millie

Tierra

Freddie

Y8 have really impressed us with their creativity whilst designing and illustrating their title pages for the new project.

Here are some of our favourites!

Wall of Wow!

Y9 have been investigating Protest Art. They have been learning how to use stencils with spray diffusers and coloured inks to create some stencil graffiti.

Wall of Wow!

All of the Y10 Art class are an absolute pleasure to teach! They are currently learning about acrylic painting techniques to develop into a painting, so looking forward to showing off those outcomes next term!

In the meantime here's some sketchbook work that we are very pleased with.....
