Dear Year 11 Parents and Carers

Congratulations and well done to students for completing GCSE Exams. Year 11 have worked incredibly hard during this exam period, and we are very proud of them.

We are pleased to invite you and your child to attend GCSE Results Day at Bristol Brunel Academy on Thursday 20<sup>th</sup> August 2026. This is an important milestone for our Year 11 students, and we would be delighted to welcome families to celebrate and support their achievements.

Key Information:

**Date:** Thursday 20<sup>th</sup> August 2026

**Time:** Results will be available for collection between 9:00am to 10:15am. Staff will not be onsite after 10:30am, if results have not been collected between 9 to 10:15am.

**Location:** Bristol Brunel Academy Conservatory.

Students will receive their GCSE results envelope during this time. Members of staff, including members of the Senior Leadership Team, Year Team and Cabot Learning Federation Post 16, will be on hand to offer support, advice, and guidance regarding next steps.

We are unable to release results to anyone other than the student due to GDPR rules. Results cannot be given to parents, carers, or any other individuals without prior authorisation from the student, which must be arranged in advance with the school.

If your child is unable to collect their results in person, they may:

Nominate someone else (in advance) to collect results on their behalf with written authorisation from the student. On the day the nominee will need a valid form of ID. Forms are also available on reception.

Receive results via school email from 9am – available on request; please contact me (Tom.Leahy@clf.uk) by 11/7/26.

All students will be emailed their results from 11am onwards to their BBA email address and will be also available on the Education Record app from 11am if your child has previously downloaded this with their tutor in Term 5.

Working in partnership with:

If you are away in a different country for Results Day and are planning to receive results by email, please come into school on 7/7/26 between 1pm and 3pm to meet the IT team to set up a two-factor authenticator app to access your school email abroad.

You will need to bring your phone and be able to access messages/Whatsapp as well as your school email address. This is only if you are accessing your results from abroad.

We understand this is an emotional and exciting day, and we encourage you to attend with your child to mark this key moment together.

If you have any questions in the meantime, please don't hesitate to get in touch –

School email addresses can be accessed until 31st October 2026, after this time they will be deactivated.

We look forward to seeing you there and sharing in the celebration of your child's hard work.
