

23rd June 2026

Dear Parents & Carers,

As you are aware, the academy will be closed to all students on Wednesday 24th and Thursday 25th June. During this time, work has been set on Bromcom that follows students' normal timetable. Work can be accessed the same way you would access homework (via the student portal). Information is attached on how to access this work. Parents and carers can also access the work via the My Child At School (MCAS) app.

At this unusual period, the health and safety of all members of the school community is the most important thing. This work is online to support students who may wish to continue their learning over the two days the academy is closed.

Year 10

Year 10 students will be missing mock exams over the 2 days the academy is closed. The missing mocks have been rescheduled and the timetable adapted. Please see below the new plan.
