Dear Parents and Carers

We hope you and your families are well.

We wrote to you last November as part of Anti-Bullying week, and as an Antibullying alliance school we want to remind the BBA community of our antibullying policies and procedures.

As part of our Brunel Way, we highlight the importance of being kind to others and looking after members of our community. We celebrate students that are role models in this aspect through our rewards system and we have developed clear responses to incidences of bullying behavior that are reported to us.

If students are experiencing any kind of bullying behaviour, please do encourage them to speak to their trusted adult in the building or Year Team. The email contacts for the Year Teams are below:
