4 Roles and Responsibilities

See Appendix 2.

5 Data Protection Implications

- 5.1 The personal information the academy uses to help manage attendance and absence is governed by the UK GDPR and Data Protection Act 2018. Much of this information will be sensitive, to both students and their parents/carers, and staff must take care to apply appropriate safeguards to ensure personal information is processed fairly and lawfully, is the

minimum amount necessary to achieve our aims, is accurate, and where necessary, kept up to date, is not held for longer than is necessary and remains safe and secure.

- 5.2 Staff must record personal information accurately, being clear whether something is an opinion, reported by someone else, or fact. It is also important to remember that students and parents/carers can ask to see copies of the personal information the academy holds about them.

6 Aims

- 6.1 The academy aims to meet its obligations with regard to school attendance by promoting good attendance; ensuring every student has access to the full-time education to which they are entitled; and acting early to address patterns of absence.
- 6.2 This policy sets out the academy's position on attendance and details the procedures that all parents¹/carers must follow to report their child absent from the academy.
- 6.3 It is vital that children develop regular attendance habits at an early age. Therefore, the academy will encourage parents/carers of all year groups to send their children to every session that is available to them. If the child is unable to attend the academy for any reason, the parent/carer should inform the academy of the reason on the first day of absence. If the academy is concerned about a student's attendance for any reason, the academy will contact the parent/carer to discuss the matter, in the first instance.
- 6.4 The academy will also support parents/carers to perform their legal duty to ensure their children of compulsory² school age attend regularly, and will promote and support punctuality in attending lessons.
- 6.5 Students should attend the academy every day, unless they are really not well enough to. Children who attend regularly are more likely to feel settled in school, maintain friendships, keep up with their learning and gain the greatest benefit from their education. The academy wants all students to enjoy school, grow up to become emotionally resilient, confident and competent adults who are able to realise their full potential. Regular attendance and punctuality are essential in the workplace and children who are used to attending school on time, and on every occasion, unless they are too unwell to attend, will be better prepared for the attendance expectations in the workplace.
- 6.6 In April 2017 the Supreme Court clarified the definition of regular attendance to be attendance "in accordance with the rules prescribed by the school", therefore if an absence is not authorised by the school, the student's attendance is deemed to be irregular.
- 6.7 The academy will do all it can to encourage students to attend. The academy will make the best provision it can for any student who needs additional support in school or who is prevented from attending school, due to physical or mental health needs or disability. The academy recognises for disabled students, 'reasonable adjustments' may be needed to the

¹ Education law defines parents as: all natural parents, whether they are married or not; any person who has parental responsibility for a child or young person; and any person who has care of a child or young person i.e. lives with and looks after the child.

² A child becomes of 'compulsory school age' on the 1st January, 1st April or 1st September following their 5th birthday and ceases to be of compulsory school age on the last Friday in June of Year 11.

school environment or to policies to support good attendance. Please see DfE guidance documents [‘Supporting students at school with medical conditions - December 2015’](#) and [‘Ensuring a good education for children who cannot attend school because of health needs- January 2013’](#) – or ask the academy for printed copies.

6.8 One of the most important factors in promoting good attendance is the development of positive attitudes towards school. To this end, the academy strives to provide a happy and rewarding experience for all children, and to foster positive and mutually respectful relationships with parents/carers.

6.9 By promoting good attendance and punctuality the academy aims to:

- Make good attendance and punctuality a priority for all those involved in the academy community
- Raise students’ awareness of the importance of good attendance and punctuality
- Provide support, advice and guidance to parents/carers, students and staff
- Work in partnership with parents/carers and, where appropriate, the wider family

7 Effects of non-attendance

7.1 Any absence affects the pattern of a child’s schooling and regular absence may seriously affect their learning. The Department for Education (DfE) defines a student as a ‘persistent absentee’ when they miss 10% or more schooling across the school year, for whatever reason.

7.2 The table below indicates how what might seem like just a few days of absence can result in children missing a significant number of lessons.

Attendance during school year	Days lost in a year	Which is approximately	Approximate number of lessons missed
95%	9.5 Days	2 Weeks	60 Lessons
90%	19 Days	4 Weeks	120 Lessons

8 Safeguarding and Attendance

- 8.1 The academy will monitor trends and patterns of absence for all students as a part of its standard procedures. However, it is recognised that sudden or gradual changes in a student's attendance may indicate additional or more extreme safeguarding issues. In line with government guidance [Keeping Children Safe in Education](#), Local Procedures and the Academy's Safeguarding Policy, staff will investigate and report any suspected safeguarding cases on to the relevant authorities. As part of the academy's safeguarding duty and standard procedures, staff will inform the Local Authority and/or the Police of the details of any student who is absent from school when they cannot establish their whereabouts and is concerned for the student's welfare.
- 8.2 If a student is not attending as required, where the academy deems it appropriate, staff may make home visits to see and speak to the student and parents/carers as part of the academy's safeguarding and attendance processes. If staff are unable to see and speak to the student and parents/carers, they may contact the student's emergency contacts and/or other professionals or contacts of the family, who they reasonably expect may be able to provide the academy with relevant information.

9 Contents of Attendance Register

The law states that schools must take the attendance register at the start of the first session of each school day and once during the second session. On each occasion the school must record whether each student is:

- Present;
- Absent;
- Attending an approved educational activity; or
- Unable to attend due to exceptional circumstances.

10 Present at School (and Lateness)

- 10.1 Students are marked present if they are in the academy when the register is taken. If a student leaves the academy premises after registration, they are still counted as present for statistical purposes.
- 10.2 It is the duty of parents/carers to ensure that children attend school on time. This encourages habits of good timekeeping and lessens any possible classroom disruption. However, it is also recognised that students are sometimes late due to reasons such as caring for parents/carers or siblings, or transport difficulties.
- 10.3 If a student starts arriving late to the academy on a regular basis, the academy will work with the student and family to find out why the student is late and whether any support is needed for the student or family, in order to support the student to attend on time.
- 10.4 The attendance officer or pastoral teams will meet with parents/carers of students who are frequently late, to further investigate reasons for lateness and discuss solutions to enable more punctual attendance.

10.5 Morning registration

- Our students must arrive by 8.20 am on each school day.
- Students arriving after **8.40 am** will be marked as late (**L**) – which still counts as present. See DfE Attendance Codes – Appendix One.
- If a student arrives after the close of registration (after **9.15 am**), they will be marked with the **unauthorised absence** code ‘Late after registers close’ (**U**) for the morning session. (See ‘Unauthorised Absence’ section for more information on unauthorised absences.) If a student arrives late after the registers close due to a valid reason, such as an unavoidable medical appointment, their absence will be marked with the appropriate authorised absence code.

10.6 Afternoon registration

- The afternoon register is taken at **12:20 and 1:40 pm** and will be kept open until **12:50 and 2:10 pm**
- If a student has been out of school during the morning and/or lunchtime session and arrives at school after **12:20 and 1:40 pm** but before **1:40 and 2:10 pm** they will be marked (**L**) – which counts as present.
- If a student arrives after **1:40 and 2:10 pm** they will be marked with the **unauthorised absence** code ‘Late after registers close’ (**U**) for the afternoon session. If a student arrives late after the afternoon registers close due to a valid reason, such as an unavoidable medical appointment, their absence will be marked with the appropriate authorised absence code.

11 Effects of Late Arrival

11.1 When a student arrives late to the academy, they miss important events like assembly, teacher instructions and introductions; this can seriously disadvantage students. The table below indicates how frequent lateness can add up to a considerable amount of learning being lost.

Minutes late per Day	Equates to Days of Teaching Lost in one Year	Which means this number of lessons missed
5 mins	3 Days	15 Lessons
10 mins	6 Days	30 Lessons
15 mins	9 Days	45 Lessons

Sanctions for late arrivals to school and lessons.

Any student who arrives late to Academy should sign in at Reception, all lates will be entered on the Lesson register as an L. All students who arrive late will be given a detention after school on the same day.

When a student's late arrival is caused by reasons beyond the student's control e.g. the bus breaks down, they should be marked late but will not receive a detention (this will be at the discretion of the Vice Principal).

If a student does not attend the late detention they will be placed in an extended late detention on a Friday with senior leadership. This will increase with each detention that has been missed over the week. The detention times will start at 60 minutes up to 120 minutes. If a student fails to attend the Friday detention, they will serve a day in SafetyNet the next week.

12 Authorised Absence

12.1 'Authorised absence' means that the academy has either given approval in advance for a student of compulsory school age to be away from the school or has accepted an explanation offered afterwards as justification for absence. The following information outlines the main circumstances where absence may be authorised by the academy.

12.2 Illness

- In most cases, absences for illness which are reported by following the academy's absence reporting procedures will be authorised. That is unless the academy has a genuine concern about the authenticity of the illness.
- The academy follows the [DfE School Attendance – Main Guidance](#), which states that if the authenticity of the illness is in doubt, the school may ask the parent/carer to provide medical evidence, such as a prescription, appointment card, or other appropriate form of evidence. The academy will not ask for medical evidence unnecessarily. In some instances, the academy may ask the parent/carer to obtain a letter from a GP, or seek parental permission to contact the student's GP directly.
- If the academy is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.
- Where a student has a high level and/or frequency of absence, the academy may require suitable evidence in order to authorise any future absence where illness has been given as the reason. If this is the case, the academy will make the parent/carer/s aware of this expectation in advance.
- The reporting of absence due to illness remains the responsibility of the parent/carer. Absences due to illness which have **not** been reported to the academy by the parent/carer on the first and any subsequent days of absence may not be authorised.

12.3 Students taken ill during the academy day

If a student needs to be sent home due to illness, this should be by agreement with an appropriately authorised member of academy staff. In such circumstances, the student must be collected from the academy office by a parent/carer or another authorised adult (unless otherwise agreed between the school and the parent/carer) and signed out. No student will be allowed to leave the academy site without parent/carer confirmation.

12.4 Medical/Dental Appointments

- Parents/carers should try to make appointments outside of academy hours wherever possible. Where appointments during the academy day are unavoidable, the student should only be absent for the minimum amount of time necessary for the appointment. It is not acceptable for a student to miss a whole day for an appointment, unless absolutely necessary, in which case the academy will need an explanation as to why this is. The academy recognises that students with a health condition may have a higher number of medical appointments than other students and it is therefore possible that at least some of these appointments may be during the academy day.
- If a student must attend a medical appointment during the academy day, it is preferable that they are collected from the academy reception by the parent/carer or another authorised adult and signed out. No student will be allowed to leave the academy site without parent/carer confirmation. Students will be able to leave the academy independently if they have permission from parent/carer.
- Advance notice is required for medical or dental appointments, unless it is an emergency appointment. Parents/carers should also provide the academy with sight of, or a copy of, the appointment card or letter.

12.5 Religious Observance

- The academy acknowledges the multi-faith nature of the academy community and recognises that religious festivals sometimes fall outside of academy holidays or weekends.
- In accordance with the law, the academy will authorise one day's absence for a day exclusively set apart for religious observance by the religious body to which the parent/carer belongs – this will be marked with the **R** code. In line with the [DfE school attendance guidance](#), if necessary, the academy will seek advice from the parent/carer's religious body, about whether it has set the day apart for religious observance.
- Parents/carers should notify the academy in advance that their child will be absent for religious observance, so that the academy knows whether to expect the student into school or not.
- If a parent/carer would like their child to be absent for an additional day, around a religious observance, they should contact the academy. The academy will consider each application individually taking into account the specific facts and circumstances

and relevant background context behind the request. If additional absence is authorised, this would be marked with the **C** code.

- The academy will ensure a student is not penalised for absence due to days of Religious Observance, for example if using attendance rewards.

12.6 Traveller Absence

- The Education Act 1996 includes specific reference to the school attendance of children “of no fixed abode”. This law applies when a child is unable to attend school because they are travelling with their parent/carer “who is engaged in a trade or business of such a nature as to require [the parent/carer] to travel from place to place”. This is subject to certain limits, depending on the child’s age and number of sessions absent.
- The [DfE school attendance guidance](#) explains that a number of different groups are covered by the generic term Traveller – Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers.
- The academy will discuss requests for absence individually with parents/carers as necessary. Parents/carers should let the academy know of their plans as far in advance as possible.
- To help ensure continuity of education for children from the above groups, wherever possible the child should attend school elsewhere when their family is travelling for occupational purposes. In which case, the child will be dual registered at the school they are attending and at this academy, which is their ‘main school’.
- The **T** code, which is an authorised absence, should be used for students when Traveller families are known to be travelling for occupational purposes and have agreed this with the academy but it is not known whether the student is attending another educational provision.
- Children from these groups whose families do not travel for occupational purposes are subject to the same rules as other children in terms of the requirement to attend school regularly.

12.7 Exclusions

- If the academy decides to send a student home due to their behaviour, this will be recorded as an Exclusion. The academy will follow the current [DfE’s statutory guidance on exclusions](#).
- Any exclusion must be agreed by the Principal.
- The academy will notify the parents/carers of the exclusion. If the student is a Child in Care, the academy will notify the student’s carer, social worker and the Local Authority’s Virtual School. In other instances, where a student is open to Children’s

Social Care for any reason, the academy will also inform the student's allocated social worker.

- It is preferable that the student is collected from the academy reception by the parent/carer or another authorised adult and signed out. If this is not possible then the student will be able to leave the academy independently with parent/carer permission. No student will be allowed to leave the academy site without parent/carer confirmation.

13 Absence Reporting and Response

13.1 First Day of Absence Reporting

- Parents/carers are expected to notify the academy of the reason for their child's absence on each day of absence.
- If a student is absent due to illness which lasts more than one day, the parent/carer should contact the school each day to provide an update, unless otherwise agreed by

If a student is absent due to illness or any other reason, parents/carers should notify the academy of the absence as early as possible. This should be before **8.00 am** on the day of absence and include the specific reason ('unwell' is not sufficient).

Parents/carers can notify the academy by phone, using the academy telephone number of 0117 37 72713. If parents/carers leave a message they must include the student's full name, date of birth and year group. Parents/carers can also notify the academy by email or by a personal visit to the Academy reception (via an adult).

- The academy may contact parents/carers to discuss a student's absence in more detail.
- In some cases, the academy may require parents/carers to report absence in a different way – if this is the case, the academy will contact parents/carers to explain this requirement.

13.2 First Day of Absence Response

- If no contact has been made with the academy by 9:30 am on the first day of absence, the academy will send out a text to parents/carers of absent students, requesting that they make contact with the academy to report their absence. The Attendance Officer and Year Teams will follow up absences by phoning the parents/carers. If the parents/carers cannot be contacted by phone, the academy will phone the student's emergency contacts, in priority order. Priority will be given where there is additional support in place, or where students are considered more vulnerable. e.g. Children in Care; children on Child in Need or Child Protection Plans; children who have previously been reported missing; and children where there are, or have been, concerns regarding attendance.
- If the academy is unable to establish why the student is absent and/or is concerned for the welfare of the student, staff will carry out an unannounced home visit. Staff

will leave a letter if there is no answer and may knock on neighbours' doors. Staff may request a Welfare Check from the police and / or social services.

13.3 Pre-agreed absence

Parents/carers are not required to contact the academy on the day of an absence if the parent/carer has already formally notified the academy prior to the day of absence and the absence has been agreed in advance. For example, a planned hospital appointment or an exceptional term time leave of absence which has already been agreed by the Principal in writing.

14 Emergency Contacts

Parents/carers will be asked to supply details of at least three other adults who can be contacted in an emergency. It is the responsibility of parents/carers to keep these contact details up to date by communicating with the academy office. The academy will also remind parents/carers about this through [parents/carers' evenings/newsletter reminders etc]. Parents/carers will also receive absence communication by email as well as text.

15 Following up Unexplained Absences

15.1 The academy will follow up any absences where the parent/carer has not made contact to explain the reason. Following up on unexplained absences can take up a considerable amount of academy resources, therefore, the academy expects parents/carers to report all absences. If a parent/carer does not contact the academy on the morning of each absence, the absence may not be authorised, unless the academy is satisfied there is a good reason why the student is unable to attend and why the parent/carer was not able to contact the academy by the required time on the day of absence.

15.2 When the academy establishes the reason for the absence, it will be marked as authorised or unauthorised depending on the reason. If the academy is unable to establish the reason for absence, having followed the academy's attendance procedures, the absence will be marked as unauthorised, using the **O** code.

15.3 If a student is not attending and the academy is unable to establish the reason why and/or confirm the student's whereabouts, the academy will take appropriate action which will depend on the circumstances of each case. This could include, but is not limited to: contacting the student's emergency contacts, or other contacts of the family who the academy reasonably expect may be able to advise of the student's whereabouts; contacting other professionals; contacting siblings' schools; home visits to the family address; making enquiries with neighbours; requesting a Welfare Check from the police; and making referrals to Children's Social Care.

16 Rewarding Good and Improved Attendance

16.1 The academy recognises that rewarding good and improved attendance should be carefully considered in order to ensure it does not make students who have poor attendance, feel

marginalised, worried or guilty about their low attendance rate; its impact on the student's own learning or the learning or rewards for the class as a whole.

- 16.2 The academy will regularly review any reward systems to ensure they are not negatively impacting on individual students or groups of students.

17 Support for School Attendance

- 17.1 Communicating with parents/carers where attendance is a concern

When the academy has concerns about the attendance of a student, staff will do their best to make the parents/carers aware of the concerns about their child's attendance in the most accessible way possible, communications will be provided in accessible formats and can be offered in different languages if requested.

- 17.2 Students who are reluctant to attend

- Sometimes students can be reluctant to attend. The academy encourages parents/carers and students to be open and honest about the reason for the student's absence. If a child is reluctant to attend, it is never better to cover up their absence or for a parent/carer to give in to pressure to let the child stay at home. This can give the impression to the child that attendance does not matter and can make things worse. The academy needs to understand the reasons why a student is reluctant to attend, in order to be able to support students and parents/carers in the best way.
- The academy's aim is to work in partnership with parents and carers to remove barriers to good school attendance. Staff strive to establish good working relationships with the families of our students through good communication and regular meetings to address on-going attendance concerns. If necessary, staff signpost our families to specialist support services who can work with the family and academy in a multi-agency approach.

- 17.3 Child on Child Abuse

- All students have an absolute right to be educated in a safe and secure environment and to be protected from others who may wish to harm, degrade or abuse them physically, verbally, and emotionally both in person and online. There is no justification whatsoever for bullying behaviour and it should not be tolerated in any form. Differences including race, religion, gender, sexual orientation and ability are absolutely repudiated as reasons for bullying.
- The academy recognises that a student may be reluctant to attend if they are experiencing any kind of child on child abuse. The academy constantly strives to

promote a positive and inclusive culture where all students feel valued, have a strong sense of 'belonging' and are fully supported if things go wrong.

- The academy takes all reports of child on child abuse extremely seriously. All incidents will be investigated, appropriate measures will be taken for all students involved, including working with and making referrals to external agencies where appropriate.
- The academy recognises that child on child abuse is a rarely-witnessed event, and that the most likely source of information will be through hearsay (either direct from the victim, or indirectly through witnesses or parents).
- If a parent/carer thinks their child is experiencing child on child, or is concerned their child may be involved in peer on peer abuse in any way, they are encouraged to report this to the academy as quickly as possible, so that appropriate measures can be taken.
- Please see the academy's Anti-Bullying policy and Safeguarding and Child Protection Policy for more information on how child on child abuse is addressed.

17.4 Children in Care

- Foster Carers do not have parental responsibility for the children in their care, although they are responsible for ensuring their regular school attendance.
- If a Child in Care is not attending the academy, or there are concerns about their attendance, the academy will seek advice from the Local Authority's Virtual School and the child's social worker, as well as communicating with the student and foster carer.

17.5 Disability Related Absence

- The academy will ensure 'reasonable adjustments' are made for disabled students (defined as those with a 'physical or mental impairment which has a substantial and long-term adverse effect on that person's ability to carry out normal day to day activities'). This may include changes to the physical environment, curriculum or the way information is provided, as well as providing auxiliary aids and equipment, or tailored services.
- The academy recognises that some disabled students may need additional support to attend regularly and that, for some students, they may have more absence due to their disability, for example due to attending medical appointments. The academy will ensure disabled students are not penalised for absence related to their disability and will support the student and family to access support from external agencies where appropriate.

17.6 Young Carers

The academy recognises that students who are Young Carers may have caring responsibilities that impact on their punctuality and/or attendance. Where this is the case the academy will work with the student and family to encourage them to access appropriate

support, including direct support from Young Carers and any other support the student and family may need; the academy will also provide support in school where appropriate.

17.7 Pregnant Students and Students who are Young Parents

- Students who are pregnant, or who have had a baby, should still be encouraged to attend the academy wherever possible, but may need additional support to do so. The academy will work together with the student and family to come up with a plan of support to ensure the student continues to attend the academy wherever possible. Where a pregnant student or young parent student is not attending, the academy will take a supportive approach to help ensure, as far as possible, the student's continuity of education. The academy will seek advice from the Local Authority if a student cannot attend the academy due to their pregnancy, or because they have a baby to care for.
- A designated member of academy staff will be allocated to act as an advocate and assist the student to take responsibility for her/his continuing education.

17.8 Parents who live separately

Where appropriate, the academy will involve all parents/carers in order to ensure each are aware of their child's attendance pattern and are able to support the child's attendance to improve. Where a child lives with different parents/carers on different days the academy will take this into consideration when working with the parents/carers.

17.9 Complex Family Circumstances

- The academy will not usually request legal sanctions from the Local Authority in cases where poor attendance is symptomatic of complex family circumstances. In such circumstances the academy will take a holistic approach to the issue and involve other agencies as necessary. The exception to this will be where parents/carers fail to accept or engage with support offered by the academy and/or other agencies, or fail to implement the suggested changes. When referring for legal sanctions, the academy will show that the parent/carer has been warned they are at risk of receiving a Penalty Notice or other legal sanction.
- If the academy has safeguarding concerns about a student who is absent, staff will share information with other agencies as deemed necessary.

17.10 Formal non-attendance process

Where there are continued concerns about a student's attendance which are not resolved informally, parents/carers may be asked to meet with the academy to discuss the matter more formally. In some cases, this may result in a formal action plan being produced. The academy may also invite other involved professionals, where relevant.

18 Leave of Absence – leave requests and sanctions for unauthorised absence

18.1 The law does not grant parents/carers the automatic right to take their child out of school during term time for holidays or other absence such as trips and visits.

- 18.2 The academy will not authorise any leave of absence in term-time unless satisfied the reason for absence is exceptional. The academy will consider each application individually.
- 18.3 Parents/carers are asked not to make plans to take their child out of school without making a request to the school first. The request should be made by the parent/carer with whom the child normally lives.
- 18.4 Parents/carers wishing to request leave for their child should complete a Leave of Absence Request form which is available from the academy. The request should be submitted as soon as it is anticipated; and, wherever possible, at least four weeks before the absence.
- 18.5 Parents may be required to provide the academy with additional evidence in order to support a leave of absence request.
- 18.6 The academy will consider the individual facts and circumstances of the case; following consultation with other staff as required, including the Designated Safeguarding Lead (DSL).
- 18.7 A leave of absence is granted entirely at the academy's discretion.
- 18.8 The absence should be for the shortest time possible – if an absence is agreed, the Principal will decide how many days of absence will be authorised. If the student is absent for more days than were authorised by the academy, the remaining days absent will be recorded as unauthorised absence.
- 18.9 Any holidays and other absence such as trips and visits which have not been agreed by the academy will be recorded as unauthorised.
- 18.10 Parents/carers should be aware unauthorised absence may result in a Penalty Notice or Prosecution. See 'Unauthorised Absence' section for more information.
- 18.11 If the academy has any concerns about possible safeguarding risks, staff will follow the necessary protocols. (See the academy's Safeguarding Policy for more information.)

19 Unauthorised Absence

- 19.1 Unauthorised absence is where the academy is not satisfied with the reason given for the absence, or where no reason has been provided.
- 19.2 Unauthorised absences may result in Legal Sanctions, usually Penalty Notices or Prosecutions. See 'Penalty Notices and Prosecutions' section for more information.
- 19.3 Unauthorised absence includes (but is not limited to) absences due to:
- Reasons which have never been properly explained to the academy
 - Arriving at the academy after the register has closed. (Although late arrival for a reason such as a medical appointment will usually be an authorised absence – see 'Medical / Dental Appointments' section for more information.)
 - Shopping
 - Having a hair-cut
 - Birthdays
 - Waiting at home for something to be fixed, or a parcel to be delivered

- Parent/carer's or sibling's illness (unless very exceptional circumstances apply and have been agreed in writing by the academy)
- Day trips
- Holidays in term time (unless exceptional circumstances are agreed in writing, in advance, by the academy – see 'Leave of Absence' section).

19.4 Where the academy has cause for concern about the actual reason for a student's absence, staff may seek additional information or evidence from parents/carers regarding the absence, and/or make a home visit in order to verify the reason. If the reason cannot be verified and the academy has cause to believe the reason given for absence may not be genuine, parents/carers may be asked to provide satisfactory proof of the reason before the academy authorises the absence. If satisfactory proof is not provided, the school may record the absence as unauthorised.

20 Penalty Notices and Prosecutions

20.1 Under section 444 of the Education Act 1996, if a child of compulsory school age, who is a registered student at a school, fails to attend regularly at the school his/her parent(s) are guilty of an offence. This applies to both resident and non-resident parents who may both be subject to legal sanctions if their child fails to attend school regularly. It also applies to others who may not be the parent but may have day to day care of the child. If an absence is not authorised by the school, the student's attendance is deemed to be irregular.

20.2 Penalty Notices and prosecution proceedings are issued to each parent/carer with responsibility for the child and are issued for each child with unauthorised absence. For example, in the case of Penalty Notices, if two siblings have unauthorised absence, and there are two parents/carers with responsibility for the children, four Penalty Notices would be issued.

20.3 The academy will refer cases of unauthorised absence that meet the threshold for a Penalty Notice to the Local Authority for legal action, unless there are reasonable grounds for not doing so. This will include unauthorised absence due to term time holiday or other trips/visits, and other types of unauthorised absence. When referring for legal sanctions, the academy will show that the parent/carer has been warned they are at risk of a Penalty Notice or other legal sanction. The outcome of a referral to the Local Authority may be a Penalty Notice or Prosecution.

20.4 See table below and DfE statutory guidance on [School attendance parental responsibility measures](#) for more information, and the Local Authority's Penalty Notice Code of Conduct, including thresholds, which is available from Bristol City Council.

20.5 Legal Sanctions for Unauthorised Absence

Sanction	Potential Outcome	When Used
Penalty Notice	<p>The penalty is £60 (per parent/carer, per child) payable within 21 days, rising to £120 if paid between 22 and 28 days. (Failure to pay may result in prosecution.)</p> <p>Penalty Notices cannot be paid in instalments.</p>	<p>For low level offences, as a tool to support improved attendance. They are an alternative to prosecution and may not be issued if prosecution is considered to be a more appropriate response to a student's unauthorised absence.</p> <p>If a student has an extended period or repeated periods of unauthorised absence, a prosecution may be considered instead of a Penalty Notice.</p>
Prosecution under section 444(1) of the Education Act 1996	<p>If found guilty, parents/carers may be fined up to £1000 and ordered to pay court costs.</p> <p>The court may also impose a Parenting Order.</p>	<p>It is for the Local Authority to determine whether a section 444(1) or section 444(1A) prosecution is most appropriate.</p> <p>First prosecutions are usually under s444(1).</p>
Prosecution under section 444(1A) of the Education Act 1996	<p>If found guilty, parents/carers may be fined up to £2500 and ordered to pay court costs.</p> <p>Other court outcomes include community sentences, such as Curfew Orders, Unpaid Work (Community Payback) or a prison sentence of up to three months.</p> <p>The court may also impose a Parenting Order.</p>	<p>If a parent/carer is prosecuted more than once, or in extreme cases of non-attendance, the Local Authority may decide to prosecute under s444(1A).</p>
Education Supervision Order (ESO) under section 36 of the Children Act 1989	<p>The order is placed on the child and a supervisor from the Local Authority is appointed by the court, to give directions to the child and its parents, with a view to securing that the child is properly educated.</p> <p>Parents can be prosecuted if they persistently fail to comply with a direction.</p>	<p>The Local Authority must consider applying for an ESO before prosecuting under s444 Education Act 1996. A local authority may apply for an ESO instead of, or as well as, proceeding with a prosecution.</p>

21 Mental Health, Wellbeing, Special Educational Needs and Disability

Under the Equality Act 2010, schools are required to make ‘reasonable adjustments’ for disabled students (defined as those with a ‘physical or mental impairment which has a substantial and long-term adverse effect on that person’s ability to carry out normal day to day activities.’ Some specified medical conditions, HIV, multiple sclerosis and cancer are all considered as disabilities, regardless of their effect.) This may include changes to the physical environment, curriculum or the way information is provided, as well as providing auxiliary aids and equipment, or tailored services. Failure to make appropriate adjustments may impact on a student’s attendance.

Need	Action	Contact Information
Mental health and wellbeing	Parents/carers who have concerns about their child’s mental health and wellbeing can contact the academy’s Designated Safeguarding Lead (DSL).	Phone or email DSL or Year Teams. bba-safeguarding@clf.uk
Identified special educational needs or disability (SEND)	Parents/carers are encouraged to contact the academy’s Special Educational Needs Co-ordinator (SENCO) should they have any concerns about their child. Any students with SEND should have attendance issues considered as part of their individual support plans or Education Health and Care Plans; attendance should be part of any subsequent reviews.	Phone or email FAO: SENCO bba-reception@clf.uk
Unidentified SEND	Parents/carers who think their child may have unidentified special educational needs are also encouraged to contact the academy’s SENCO.	Phone or email FAO: SENCO bba-reception@clf.uk
Urgent health concerns	Parents/carers should contact their GP or the NHS Helpline by phoning telephone number 111 for advice if they are concerned about their child’s mental or physical health and wellbeing. In case of emergency parents/carers should dial 999. After seeking emergency advice and support, parents should also let the academy know as soon as is practicable.	Phone GP/111/999 Contact the student’s Year Team via reception 01173 772700
Health needs impacting on attendance	If a student is frequently absent from the academy due to particular health need/s the academy may ask to meet with parents/carers (and other professionals where appropriate) to draw up an Individual Healthcare Plan to support the student’s attendance. See the academy’s Supporting Students with Medical Conditions Policy for more information.	Phone or email SENCO, Attendance Officer or Year Teams via reception 01173 772700 bba-reception@clf.uk

22 Phased Return to Full-Time Education

- 22.1 In line with the expectations of the Department for Education, all students of compulsory school age are entitled to a full-time education, suitable to their age, ability and aptitude, and any special educational needs or disabilities that they may have.
- 22.2 In very exceptional circumstances there may be a need for a temporary part-time timetable to meet a student's individual needs. For example, where a medical condition prevents a student from attending full-time education and a part-time timetable is considered as part of a re-integration package.
- 22.3 If, for any reason, the academy is unable to provide a student with a full-time education due to the student's needs, staff will work with the student, parents/carers and other agencies where appropriate, to come to an arrangement that is deemed to be in the best interests of the child wherever possible.
- 22.4 Any part-time timetable should be in place for the shortest amount of time possible, it must not be treated as a long-term solution. It should be reviewed at least every two weeks, whilst arrangements are made to support the student's return to full-time education at the academy or, where appropriate, at alternative provision.
- 22.5 A decision to place a student on a part-time timetable should be approved by the Principal and must be agreed by the parents/carers. The SENCO and DSL, as well as any other relevant members of staff, should also be aware of such arrangements and involved with decision making where appropriate. Discussions and agreements should be clearly documented in writing and relevant information should be recorded in SIMS and CPOMS. The academy will be mindful of any additional safeguarding risks to the student when they are not timetabled to attend school and will therefore consider carefully whether a part-time timetable is an appropriate measure.
- 22.6 If the student's part-time timetable means the student is expected to arrive at the academy after the register closes in the morning and/or be absent for the academy's afternoon registration period, any such am and/or pm registrations must be recorded with the C code 'Leave of absence authorised by the school'.

23 Approved Educational Activity (AEA)

23.1 When students are attending educational activities off the academy site, that have been approved by the academy, the register will be marked to show this is the case. (See [DfE School Attendance – Main Guidance](#) for more information.)

23.2 Approved Sporting Activity

If a student is participating in a supervised sporting activity off the academy site, which is of an educational nature, approved by the academy and supervised by someone authorised by the Principal, such activity should be marked using the **P** code 'Approved Sporting Activity'.

23.3 Alternative Education Provision

- Attendance staff in the academy will be notified of Alternative Provision (AP) arrangements and updated about any changes in arrangements, so they can ensure the academy's registers are marked accordingly. Attendance staff and other relevant colleagues will communicate closely with the AP setting.
- The academy will follow up with students and parents/carers on any attendance concerns, in conjunction with the AP.
- If a student is only being offered part-time AP, the academy will ensure the student is offered additional educational provision, which together with the AP equates to a full timetable, unless there are exceptional reasons why not. Students will only be offered part-time educational provision for the shortest time possible and this will be regularly reviewed with the student and parents/carers with the aim of the student accessing full-time education as quickly as possible.

23.4 Alternative Education Provision: Dual Registration and use of the D code

- If a student from the academy is attending another state-funded DfE registered school, Student Referral Unit³ or Alternative Provision Academy, for part or all of their education, the student will be dual registered at this academy (Dual - Main) and the other setting (Dual - Subsidiary).
- If a student is attending an AP which is not a state-funded DfE registered school, Student Referral Unit, or Alternative Provision Academy, the student cannot be dual-registered; examples are Impact Mentoring and Education 1st. See 'Off-site educational activity (B code)' section, for more information.
- When a student from the academy is dual registered with another setting, the academy will ensure the student and parents/carers are clear about the student's timetable; i.e. when the student is expected to attend the academy or the other setting, and what the arrangements are for register marking, including the use of the D code. The academy will also be clear which setting will be following up any absences. Where students are dual-registered, the AP should provide the academy with attendance updates weekly, unless otherwise agreed with the alternative setting. However, if attendance and/or safeguarding concerns are identified at any point, the

³ This includes Bristol Hospital Education Service, Voyage Learning Campus and Pathways Learning Centre.

AP is expected to raise these with the academy immediately and a course of action will be agreed in writing between the academy and the AP.

- A dual registered student must not be removed from either setting's roll without the agreement of the other setting.

23.5 Alternative Education Provision: Off-site educational activity (B code)

- If a student is attending an AP setting which is not another school, Student Referral Unit or Alternative Provision Academy, for part or all of their education, the academy will mark the sessions which the student attends the alternative setting as code **B** (off-site educational activity). The academy will mark any sessions attended at the academy with the relevant present code, and any absences with the relevant absent code. Such APs should provide attendance updates daily, unless otherwise agreed, so the academy can mark the register accordingly.
- Some AP settings are registered as Independent Schools and, as such, are able to offer full-time provision where required. However, some AP settings are not registered schools and are therefore only legally allowed to offer part-time education to students.
- Unless otherwise agreed with the AP, the AP is expected to notify the academy by 9:30am on the morning of any individual student absences, to ensure the academy is made aware of any attendance concerns as soon as possible and takes follow up action as necessary.
- If attendance and/or safeguarding concerns are identified at any point, the AP is expected to raise these with the academy immediately and a course of action will be agreed in writing between the academy and the AP.

23.6 Managed Moves

- Any student on a Managed Move (MM) must be dual registered at their main school (the 'sending school') and their subsidiary school (the 'receiving school').
- If a student from this academy is attending another school on a MM, the student will be dual registered at the other school. This academy will mark the student with the registration code **D** during the time they are expected to attend the other school. The school the student is attending for the MM trial (the receiving school) will mark the student present or absent, according to their attendance pattern. The receiving school will be expected to follow up any student absences in the same way they would for their other students, in conjunction with this academy where appropriate. They will also communicate the student's attendance with this academy on a regular basis, in line with the MM review process.
- If a student from another school is attending this academy on a MM, the student will be dual registered at this academy. This academy will mark the student present or absent, according to their attendance pattern, whilst the sending school will mark them with the registration code **D**. This academy will follow up any absences in the same way as for all other academy students, in conjunction with the other school

where appropriate. This academy will also communicate the student's attendance to the sending school on a regular basis, in line with the MM review process.

- At the end of the agreed MM period (or sooner in some circumstances) a decision will be made as to whether the MM will be made permanent or not. At this stage the student will either: (a) go permanently on the roll of the receiving (subsidiary) school – single registration (in which case the student will come off roll at the 'main' school); or (b) be expected to return to the main school (in which case the student will come off roll at the 'subsidiary' school).
- A Dual Registered student must not be removed from either school's roll without the agreement of the other school.

24 Unable to attend due to exceptional circumstances (as set out in DfE guidance)

In accordance with the [DfE School Attendance – Main Guidance](#), the academy will record students as code Y 'Unable to attend due to exceptional circumstances' in the following circumstances (such circumstances are not recorded as absences):

- The academy site, or part of it, is closed due to an unavoidable cause
- The transport provided by the academy or the Local Authority is not available and the student's home is not within statutory walking distance. (See the DfE's '[Home to school travel and transport](#)' guidance document or ask the academy for a printed copy.)
- A local or national emergency has resulted in widespread disruption to travel which has prevented the student from attending the academy.
- The student is in custody, but still on the academy's roll. (If the academy has evidence that the student is attending educational activities, those sessions can be as 'present at approved educational activity').

25 Children Missing Education (CME) and removing students from roll

25.1 If the academy has reason to believe the student may no longer be living at the address held on record and staff are unable to confirm the whereabouts of the student through the academy's usual processes, staff will follow the [CLF CME and Student Tracking guidance](#), along with [Bristol City Council's CME guidance](#), and make Student Tracking referrals as appropriate.

25.2 If a parent/carer notifies the academy in writing that the student and family are moving out of the area and the student no longer requires a place, the academy will remove the student from roll from the date of moving and will, at the same time, notify the Local Authority (LA) using the CME referral form.

25.3 The academy will add and delete students from roll in line with the law and will complete Bristol City Council (BCC) CME referrals and [Ground for Deletion](#) notification forms in accordance with BCC's guidance.

25.4 The academy will seek advice from the CME team if unsure about any individual cases: childrenmissingeducation@bristol.gov.uk

25.5 When removing a student from roll due to Elective Home Education (EHE) or Permanent Exclusion the academy will also follow the relevant LA EHE and Exclusion notification processes.

25.6 If a student on roll lives in a different LA area, the academy will follow the other LA's processes where appropriate.

26 Reporting to Parents/Carers

The academy will include each student's attendance information in their report annually and provide parents/carers with a copy of their attendance summary for the year in Term 6. If parents/carers wish to see a copy of their child's attendance summary at any other time during the year, they can ask for a printed copy at the academy office.

Where a student's attendance drops below 97%, the academy may contact parents/carers to highlight this, unless there is a good reason not to.

27 Recording Information on Attendance and Reasons for Absence

27.1 All absences are recorded in the academy's attendance register in the Management Information System, SIMS. Information about the reason for the absence, how it was reported and by whom, and any additional information pertinent to the absence may also be recorded.

28 Policy Monitoring Arrangements

28.1 This policy will be reviewed annually by the core aim four team or more frequently if there are changes to legislation and guidance. At every review, the policy will be shared with the Academy Council.

Appendix 2 – Roles and Responsibilities

The CLF Board

The Board is responsible for approving the CLF template policy.

The Academy Council

The Academy Council is responsible for approving local adaptations to the CLF template policy and monitoring its implementation and effectiveness.

The Academy Council is responsible for monitoring attendance figures for the whole academy at least 6 times a year, through Academy Council meetings and visits to the school. It also holds the Principal to account for the implementation of the attendance policy.

The Principal

The Principal is responsible for ensuring this policy is implemented consistently across the academy, and for monitoring academy-level absence data and reporting it to academy council.

The Principal also supports other staff in monitoring the attendance of individual pupils and requests penalty notices, where necessary.

Vice Principal or Assistant Principal with Responsibility for Attendance

Having a deep and clear understanding of attendance by group, such as gender, students entitled to Free School Meals, Pupil Premium students, students with SEND, Children in Care and attendance by Ethnicity and Language (English/EAL). Also prioritising and acting to improve the attendance of students that may fall into smaller groups, or the attendance of individual students with protected characteristics, such as students who do not identify with their gender assigned at birth, students who are gay or bisexual, pregnant students and students who are young parents.

Ensuring staff are clear about their roles and responsibilities in relation to attendance and have the required knowledge and skills to fulfil them.

Regularly reviewing the academy's attendance procedures – strengths and weaknesses, including seeking feedback from the attendance team; highlighting key issues with the Vice Principal and Principal.

Attendance Team

The Attendance Team consists of the Vice principal, Assistant Principal, Designated Safeguarding Lead, Attendance Officer and the year team. They will meet as a team at least once a week to monitor and review attendance across the academy – for individual students, vulnerable groups and the whole academy. During their meetings, the Attendance Team will identify students whose attendance is a cause for concern and put attendance interventions in place as necessary. The Attendance Team will involve Year Teams and other relevant staff and co-ordinate meetings with parents/carers. Where considered necessary a formal action plan will be produced.

Attendance Officer

The Attendance Officer:

- Monitors attendance data at the academy and individual student level.

- Ensures that the daily registers are completed accurately and on time, recording the reasons for absences and reporting any concerns or patterns of absence to the rest of the Attendance Team.
- Reports concerns about attendance to the Assistant Principal and Designated Safeguarding Lead (DSL) as appropriate.
- Arranges calls and meetings with parents/carers to discuss attendance issues.
- Co-ordinates requests for term-time leave of absence, liaising with the Vice Principal and Principal as necessary. (This also includes liaison with the DSL and Safeguarding Team.)
- Makes Children Missing Education referrals to the Local Authority where appropriate (this includes liaison with the DSL and Safeguarding Team).
- Prepares Penalty Notice Application paperwork for Bristol City Council where appropriate.

Attendance Administrator

The Attendance Administrator is responsible for ensuring that the daily registers are completed accurately and on time, recording the reasons for absences and reporting any concerns or patterns of absence to the Attendance Team. They will assist the attendance office in their roles and responsibilities.

Office Staff

Academy office staff are expected to take calls from parents/carers about absence and record the information on the academy information management system (SIMS) and CPOMS where necessary.

Designated Safeguarding Lead (DSL)

Providing safeguarding support and advice to attendance colleagues as appropriate, including in response to term-time leave requests and CME cases; taking safeguarding action where necessary. Meeting with the Academy Attendance Officer/Team to review the attendance of the students on the academy's Vulnerable List and agreeing any action needed.

Special Educational Needs Co-ordinator (SENCO)

Meeting with the Academy Attendance Officer/Team to review the attendance of the students on the academy's Vulnerable List/SEND Register and agreeing any action needed.

Any other pastoral roles such as Family Support Worker, Parent Support Advisor, Learning Mentor, Year Leader etc

Year Teams assist with the daily following up of unauthorised absences for their year group. They will also support the Attendance Team by running Attendance Interventions for lower-attending students where appropriate

Tutors

Tutors are responsible for recording their students' attendance on a daily basis, using the correct codes, and submitting this information to the academy office.

Where there are attendance concerns, either raised by the form tutors themselves or by Attendance Officer, they will 'check-in' with the student to find out about any reasons for absence as part of their responsibilities under the academy's Safeguarding Policy.

Form tutors may also be asked to meet with parents/carers whose child has a falling level of attendance and is flagged as a concern by the Attendance Officer.

Subject Teachers (Secondary Only)

Subject teachers are responsible for accurately recording the attendance of all the students on their class list, within the first ten minutes of the lesson. Teachers are expected to highlight any anomalies in their class list – for example students who are attending but are not on the class list and students who are not attending and the teacher believes they should no longer be on their class list. Any anomalies should be reported to the student's Year Team.

Subject teachers are responsible for highlighting any attendance concerns of students on their class list to ensure the relevant staff member/s are aware and follow up action is taken where necessary. Any concerns re individual students' pupils' attendance should be reported to the Year Team or Attendance Officer.
