

Bristol Brunel
Academy

June 2023

Dear Parent/Carer

BBA Summer School

I am writing to invite your child to attend Bristol Brunel Academy's Summer School from **Tuesday 29th August – Thursday 31st August 2022, 8:30am – 2:30pm**

The event is an excellent opportunity for students to familiarise themselves with the Academy, make new friends and meet some of the Academy staff in preparation for starting with us in September. The days will be a mixture of secondary school taster sessions, and other activities including Animal Encounters, Inflatables, BMX biking demos, Music, Art, Languages, Technology and Outdoor games.

Unfortunately, to cover costs we do need to make a small charge to attend this event. The cost to attend Summer School is £10 per day or £25 to attend all 3 days. If your child is entitled to Free School Meals then we have been able to secure funding for this and you will not need to pay.

Need to Know:

- Your child can choose to attend as many days as they like/are able to (please select which days on the booking form)
- Each Day will start at 8:30am and finish at 2:30pm.
- Lunch will be provided, however if your child would prefer to bring their own packed lunch this is fine. Students will not be allowed to leave the Academy during lunchtime
- They will need to bring a refillable water bottle.
- They will need to wear comfortable clothes - appropriate for the weather - and trainers (they may also need sunscreen and a hat depending on the weather).

Please note that the Academy has a site ban on mobile phones/electrical devices. If your child intends to bring a mobile phone to the Academy, it will need to be set on silent and kept in their bags for the duration of the day.

To book your child's place on our Summer School Event please complete the form by clicking this link: [Summer School Booking Form](#) by Friday 15th June 2023. If required we will then email you further information on how to pay using your ParentPay account. You can also bring the cash to reception.

If you would like any further information about this event or the Induction process, please do not hesitate to contact me laura.smith@clf.uk

Yours faithfully
