Great tasting healthy food

We are the company chosen to provide your school meal service. We specialise in providing catering for schools and are passionate about serving fresh, high quality and locally sourced food that is cooked in our kitchen.

This leaflet gives an overview of our catering service so you know what to expect when you come to visit.

WHAT'S ON THE MENU?

We have a range of food and drinks available at different times of the day.

The dining facilities are open at mid morning break to fill the gap and at lunchtime, so make sure you pay us a visit at some point throughout the day.

Our Commitment to Food Allergens

We ensure our teams are kept up-to-date with the knowledge to cater for different requirements but encourage our customers to talk to us so we can work together to provide meals that are safe for them to eat.

We use British, Red Tractor Farm Assured meat, fish from sustainable sources, free range eggs and locally sourced fruit and vegetables.

The food children eat at school plays an important role in their wellbeing, and eating a well-balanced diet will not only maintain and improve their health, but also set them on the right track for later life.
