You can also sign in to Teams using the Student Navigator page with your school email and password.

- 1. From your Office 365 homepage, click on the **Teams** app on the left hand side to open in your browser.
- 2. Select **Teams** ²⁰ calendar to see your live lessons listed for each date.
- 3. You can either click on the event in your calendar or click the link in the Live Lesson information on Show My Homework. You may be asked to enter your school email and password, but once you have successfully signed in to Teams, this will remember this for future lessons.
- 4. If your teacher has already set up the class team on the home screen below and added you, you'll see one or more (depending on how many classes you have) class team tiles.
