

Bronze Award Programme Planner

An Assessor checks on your progress and agrees the completion of a section of your programme. They will sign off the relevant Assessor's report for that section, which is uploaded into eDofE.

An Assessor must be independent: therefore, they cannot be a member of your family!

You must have a different assessor for each section!

One of your sections needs to be done over 6 months, once a week for at least an hour. The other two sections need to be done over 3 months, once a week for at least an hour. Which section will you be doing for 6 months?

Do not give me this sheet back. This is for you to bring to the first session after school.
